Inspired by  
God, Jesus  
Inside was  
written to  
provide a  
clearer view of

the Bible. I cant count the number of times I've heard individuals young and old, educated and uneducated saying that they dont understand the Bible. They believe in Jesus Christ and know He is the begotten Son of God who died on the cross for our sins, but they dont know what that truly means. I pray that after reading Jesus Inside, all, including myself, will have a clearer understanding

of the Bible so that our lights will shine so brightly we will have to go and share the Jesus inside of us to people all over the world. Receiving her doctoral degree in Theology in May of 2011 and traveling to various countries throughout the world, Dr. Brenda Stevenson felt compelled to write about the Jesus inside. Time and time again, she would hear people say, I dont understand

the Bible. The desire of Dr. Stevensons heart is to give a miniature storytelling walk through of the Bible, in hopes that people will gain a better understanding and appreciation for the living Word, Jesus.

happens. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers—it is another thing to join their ranks. Learn how to:

- Carry your dreams, visions, and goals “full term” and to complete fulfillment •

- Empower others to fulfill their divine destinies through co-laboring with them “If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your

It is generally known that the spirit realm is the transcendent or absolute reality that actually gave birth to our temporal reality or what we know to be physical, material, temporary realm.

Because our existence owes its source to the spiritual realm, the latter is actually what dictates events in our realm. It takes

no effort to realize that not only is the bible an integrated message but also one that has its origins in another dimension of existence, beyond what we are accustomed to. Have you wondered how the Bible accurately describes scientific phenomena millennia before science arrived on the planet? How on earth did Moses know how the world was created when no man was on the scene at the

beginning of creation? It does not take a genius to fathom that there has to be a supreme being, a God out there, who is the source and sustainer of all life. Like I said earlier on whether we are aware or not, life in this temporary material realm is influenced, even directed from another realm—the spiritual. That is why it is important that we understand this realm and cooperate with it to get it to work with and for us.

Paul wrote in 2 Corinthians 4:18, "While we do not look at the things which are seen, but at the things which are not seen. For the things which are seen are temporary, but the things which are not seen are eternal." He is saying that our focus should be on the unseen, eternal realm, which is the real reality because that is permanent as opposed to this realm that is but a passing shadow. The need to focus

on the things that don't change becomes even more crucial because of the sheer amount and complexity of change that we have to contend with in our lives. Changes in technology, science, medicine, career, and the work place are so fast and complex that we need something strong enough to provide the necessary moorings to hold our lives in place and provide the necessary balance to our

lives if we are not to be swept away by the change. Even though change is unsettling, disruptive, and can be scary, even good change, it brings opportunities and progress. So how do we maintain our sanity and embrace the necessary change? It is my conviction that we do this by turning to and focusing on the things that do not change. The things that do not change include God

and his word; humans in our basic makeup and constitution; and our biological makeup and sexuality, family, society, relationships, parenting, etc. Of course, the way these may be defined may change over time, but the fact is that they are there. This is why it is important to access the right information from the source of this realm, the spirit realm, to influence and

direct our lives in this realm because even though the way man has come to view certain things may have changed over time, the spirit realm is not subject to same change as this. This is the reason why it is important to know God's truth on every issue of life and apply it accordingly. Now the Bible says that Jesus is the only legitimate door to the spirit realm. According to John 10:9-10, Jesus says, "I

am the door. If anyone enters by me, he will be saved, and will go in and out and find pasture. The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly." He is the only authorized dealer mandated by God to take people into the Father's presence and, hence, the only mediator between man and God. As you embrace the truths

enshrined in this book, understand that you are calling on a power greater than yourself, from a source beyond this temporal realm to intervene in your life and that of your family. Make the truths enshrined in Eternal Nuggets your truths by incorporating them into your life and see the invisible but real hand of God move in your life to bring much needed blessing, peace, and contentment

into every area of your life.
