This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

In 1581, Dr. John Dee, an advisor in the court of Queen Elizabeth I, began a series of experiments intended to explore the ability to contact the spirit world. With Edward Kelley acting as the medium in these experiments, Dee was able to record these communications as they were transmitted in Enochian -- the language of the angels. Donald Laycock has thoroughly analyzed the work of Dee and Kelley. In this volume, he recounts the history of their experiments. The rest of the work consists of a pronunciation guide for the twenty-one letters, significant to untangling both the meaning and the derivation of the messages handed down from Dee and Kelley, and a basic Enochian-English/English-Enochian dictionary. The result is a fascinating linguistic and magical mystery story, integral to any study of the Enochian tradition. Stephen Skinner's lucid Preface sets the tone and historical context for today's readers.

This makes for a diverse selection of highly entertaining short stories to tickle the fancy of readers of a variety of genres. Jean Wilson worked as a Queen's Nurse in the 1950s, and soon earned the affectionate nickname 'The Angel of Aldgate' for her cheerful, hard work among the sick of the East End of London; and Joy Lennick wore a few hats before becoming an author in 1984; adding many writing projects to her long list, including five books.

messages to Daniel, Zacharias and Mary, the mother of Jesus.

This book is also written to show that Ancient Prophets who held special keys, authority and power on earth and in heaven was chosen to come back to earth and confer and restore those keys and power to servants of God in these latter days.
